In case of serious formatting errors the Organizing Committee and the Program Committee of the Conference do not have any responsibility for the quality of the print edition and reserve the right to refuse the work.

Abstracts submission

We warmly invite you to submit your abstract and attend the 2nd International Scientific Conference on "Information technology and interactions".

* Marked fields are required

- 1) Title*
- 2) First Name*
- 3) Last Name*
- 4) Country*
- 5) Company / University name*
- 6) Section*
- 7) Registration Categories*
 - Reporter
 - Listener
 - Only registration for Abstract publishing
- 8) Additional requirements
- 9) Do you need accommodation?* (accommodation is not covered by the conference fee)
- 10) Full Postal Address*
- 11) Author's Email*
- 12) Phone number
- 13) Would you like to join Dinner reception?
- 14) Date*

Registration fee

(For non- Ukrainian citizens).

Abstract submission Conference fee - 25 USD (include abstract issue, coffee breaks, organizational expenses and do not include living in hotel).

Fee for the Dinner reception – 25 USD.

Please, contact the Secretary of the Conference by email:
fit_conferencii@ukr.net.

Call for Abstracts

1. Registration on web site <http://iti.fit.knu.ua/> till **25th of September 2015**.
2. Send abstracts till **25th of September 2015**.
3. Abstract acceptance by Program Committee till **30th of September 2015**.
4. Program Committee reviews abstract and informs authors on its acceptance or rejection till **1st of October 2015**.
5. Fee Payment deadline: **5th of October 2015**. (OR **3rd of November** if you pay by cash at the Organizing committee office.)

Venue & Hospitality

The Conference will take place in the main building of the Institute of Continuing Education.

Address: 36, St. Vasylykivska, Institute of Continuing Education, Kyiv, Ukraine.

If you need accommodation please contact at: fit_conferencii@ukr.net after your Registration process.

¹ **J.J.Jackson**

PhD, Professor, Department of Information Technology

² **P.P.Peterson**

Undergraduate

¹ *Michigan State University, Michigan*

² *University of Texas at Austin, Texas*

MANAGEMENT INFORMATION SYSTEMS

Management information systems encompass a broad and complex topic. To make this topic more manageable, boundaries will be defined. First, because of the vast number of activities relating to management information systems, a total review is not possible. Those discussed here is only a partial sampling of activities, reflecting the author's viewpoint of the more common and interesting developments [1].
